IN THE MATTER OF THE SUSPENSION OF
THE LICENSE OF

Roger J. Brick, M.D.
License No. MA47671

TO PRACTICE MEDICINE AND SURGERY
IN THE STATE OF NEW JERSEY

Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Medical Examiners (Board) upon receipt of information which revealed that Roger J. Brick, M.D. (Respondent) was convicted of engaging in enterprise corruption in the State of New York. Respondent is the holder of License No. MA47671 and was licensed to practice medicine and surgery in the State of New Jersey from March 13, 1986 until June 30, 2005 after which time Respondent permitted that license to lapse.

On or about June 8, 2005, in the Supreme Court of the State of New York, Queens County, New York, Respondent was convicted, based on a plea of guilty, of enterprise corruption, in violation of New

York Penal Law section 460.20(1)(a). (A copy of the Certificate of Disposition Indictment is annexed hereto and made a part hereof). Thereafter, on September 6, 2005, Respondent was sentenced to a one to three year term of imprisonment. Respondent is presently incarcerated at the Adirondack Correctional Facility in New York. Respondent's expected release date from prison is July 9, 2006.

On September 7, 2005, the State of New York, State Board for Professional Medical Conduct (New York Board) filed a Commissioner's Order and Notice of Hearing (New York Order) placing Respondent's license on temporary suspension based upon the criminal conviction in Queens County, New York. (A copy of the Order is annexed hereto and made a part hereof).

The criminal conviction filed on or about June 8, 2005, in Queens County, New York, provides grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(f), in that Respondent has been convicted of, or engaged in acts constituting, any crime or offense involving moral turpitude or relating adversely to the activity regulated by the Board. The temporary suspension of Respondent's license to practice medicine in New York provides grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(g), in that Respondent has had his authority to engage in the activity regulated by the board revoked or suspended

by any other state, agency or authority for reasons consistent with this section.

By virtue of Respondent's failure to submit his biennial renewal in 2005 resulting in a lapsed license, his license to practice medicine and surgery in the State of New Jersey has been automatically suspended as of July 31, 2005, pursuant to N.J.S.A. 45:1-7.1(b).

The Board and Respondent seek to resolve this matter without resort to further proceedings, and the Board finding that the within Order is sufficiently protective of the public interest and for good cause shown;

ACCORDINGLY, IT IS on this 9th day of August, 2006,
ORDERED THAT:

1. Respondent's license to practice medicine and surgery in the State of New Jersey shall continue on active suspension until such time that he can demonstrate to the Board that he has satisfied all the terms and conditions of his plea agreement and sentence including any probationary terms, based on his conviction of enterprise corruption in New York and show proof that he holds an active unrestricted license to practice medicine in the State of New York.

2. In the event that Respondent seeks reinstatement of his New Jersey medical license at any time in the future, this Order shall require Respondent to appear before the Board, or a Committee

thereof, to demonstrate fitness to practice medicine and to prove that he has satisfied all the terms and conditions of this Order.
